

**ROYAL ALBERT BRIDGE WALK - SUNDAY, 21<sup>st</sup> JUNE 2009**  
**Indemnity Form – Terms of Participation and Exclusion of Liability**

As part of the celebrations to mark 150 years since the opening of the Royal Albert Bridge the Ashtorre Brunel Bridge Celebration committee and the Saltash Rail Users' Group are delighted to have been able to arrange a Bridge Walk for Sunday, 21<sup>st</sup> June 2009, thanks to the assistance of Network Rail and other organisations.

It is important for us to state that all involved as Participants (including volunteers and all others involved in the organisation of the event) do so at their own risk and follow the directions and instructions given to them by the Organisers and their volunteer helpers and Network Rail staff.

Accordingly, this form excluding liability applies and each adult Participant will be required to sign this form for himself or herself. Anyone under the age of 18 must have this form signed by their parent or guardian by way of acceptance in advance of participation. (This form needs to be returned with you booking form and payment – a separate signed form for each Participant.) The separate terms and conditions and safety requirements MUST also be read - these are provided to ensure your safety.

**EXCLUSION OF LIABILITY**

The following exclusion of liability applies to the undersigned, his or her children (if participating), his or her personal representatives and anyone claiming on his or her behalf and is for the benefit of each of the organisations and persons referred to below.

All Participants, including volunteers, involved or taking part in the above event, acknowledge that they do so at their own risk and that none of the organisations or persons referred to below will accept, or are under, any liability or obligation to them arising out of participation, whether under contract, tort, statutory provision or otherwise and whether express or implied. This exclusion of liability does not apply for personal injury or death, as provided by law. English law applies.

**AGREEMENT**

I agree to comply with all directions and instructions the Organisers and their volunteer helpers and Network Rail staff may give.

**Organisations and Persons Covered**

- The Ashtorre Brunel Bridge Celebration committee, volunteers and partner Organisations.
- The Saltash Rail Users' Group and its volunteers.

# Terms of Participation

## 1. PRICE

The price per ticket is £15. No children under the age of 14 are permitted.

## 2. SAFETY REQUIREMENTS

Participants are required to comply with the safety requirements set out below and any other reasonable direction given to them by a member of the walk management team on the day of the event. This does not affect or limit the exclusion of liability set out on the front of this document.

## 3. TICKETS

All places are allocated in the order that interest was shown. Due to huge demand we cannot accept additional applications. You **must** bring your ticket with you on the day of the walk.

## 4. CANCELLATION OF THE EVENT

If the event is cancelled due to circumstances outside the Organisers' control then we will use all reasonable endeavours to contact Participants either by media coverage or otherwise.

Network Rail reserves the right to cancel the walk without notice.

## 5. REFUNDS

Refunds will **only** be available in the circumstances set out in paragraph 4 above. Please apply by post to the address below if you have not been contacted within 60 days. A small fee of £2 may be deducted to cover already committed expenses.

## 6. UPDATED EVENT INFORMATION

Updated event information will be available on our website [www.royalalbertbridge.co.uk](http://www.royalalbertbridge.co.uk). Unless there is a material change to the event as presently stated the Organisers will not contact participants directly.

## 7. CONTACT INFORMATION

The Organisers can be contacted as follows:

Post: Bridge Walk, 44 Culver Road, SALTASH, Cornwall PL12 4DT  
E-mail: [lynnsmarsh@aol.com](mailto:lynnsmarsh@aol.com)  
'Phone: 01752 844255

## 8. LEGAL ISSUES

The laws of England and Wales shall apply and any dispute between us will be resolved exclusively in the courts of England and Wales. If any part of this Contract is judged to be void, that part will be severed from this Contract and will not affect the validity of any remaining parts of the Contract.

## SCHEDULE - SAFETY REQUIREMENTS

For many of you this will be your first experience of walking within the boundaries of an operational railway and you will find that the underfoot conditions and general environment differ from those found elsewhere. The requirements set out below have been prepared to acquaint you with the conditions and to help ensure that the day will be accident-free and enjoyable for all.

We would ask you therefore to read the following points:

1. Participants must be sufficiently fit to walk over the Bridge. Participants must not be under the influence of alcohol or drugs. The walk management team reserve the right to refuse entry to anyone whom they consider does not meet the above criteria.
2. Injuries resulting from slips, trips and falls are some of the most common forms of accidents which occur in the railway environment. All Participants should therefore pay continuous care and attention to the underfoot conditions throughout their walk.
3. Walking on railway ballast is very hard on the feet. You must be wearing adequate footwear. **We strongly recommend that you wear boots with ankle protection, alternatively stout shoes with thick soles and flat heels.**
4. We recommend that you wear old clothes as oil and other contaminants may be present.
5. Smoking is not permitted on the Station or at any time during the walk.
6. When walking the Bridge do not step or stand on the rails or sleepers; both are often smooth, greasy and slippery. In addition, once you are through the first portal (arch), crossing the railway line is not permitted.
7. It is better to walk along the ballast away from the sleeper ends rather than between the rails but care must always be taken to avoid trip hazards resulting from ground-based railway infrastructure equipment.
8. Participants must not touch or interfere with any line-side mechanical equipment, cables and services.
9. Participants will only be allowed to enter the railway at the official access point at Saltash Railway Station and exit just before the Royal Albert Signal Box at St Budeaux.
10. The boundaries of the section of line open for the walk will be clearly defined by fencing and are being protected by Network Rail from ongoing railway activities. Outside the permitted area the railway remains operational and access to Participants is strictly forbidden.
11. In order to prevent damage to the Bridge, Participants are not permitted to climb on to the parapets.
12. Finally should you have any questions or require assistance during the walk please contact any member of the walk management team. They are there to help.
