

# Ashtorpe's Brunel Bridge Celebrations

would like to thank their sponsors and supporters who include Awards For All, Saltash Town Council, Cornwall County Council, Network Rail, Waitrose, Nicholls & Sainsbury, PSP Insurance Solutions, Bodmin & Wenford Railway, Saltash Rail Users' Group, Stephen Fuller, Carlton Plastics, R & S Motors, Brunel School, Celebration Pyrotechnics, Morwal Steam Rally, Tamar Bridge, Highways Agency, the Police, Saltash Sailing Club and all the volunteers and organisations who have helped throughout these celebrations

WAITROSE are delighted to support the Bridge Celebrations here in our town of Saltash. We hope you all have a wonderful time.

Brunel built the bridge some 150 years ago - but Waitrose only arrived in Saltash 9 years ago. In that time we have made many friends and supported the community as best we can - our sponsorship of the Saltash Regatta will continue along with other significant events in the Saltash calendar.

Waitrose really feel we are part of the community and look forward to being able to offer you all a new shopping experience when we open the extended and refitted shop on Saturday 16th May at 08:00. Packed with even more quality foods, some John Lewis goods and a Coffee Shop we hope to see you there.

But until then we hope you enjoy the celebrations.
